

The Zabar's Podcast Trailer

Willie: Hi I'd like to tell you about the Zabar's Podcast. My name is Willie Zabar, I'm a comedian and a member of the 4th generation of this family business. Each episode will focus on a different aspect of our store. We'll speak to employees like Bernardo Muniz.

Bernardo: I have been here 42 years. It's exciting. I find it more interesting than going to the Empire State Building.

Willie: Food and drink experts like coffee aficionado, Erika Vonie:

Erika: So, the Royal Blend I really loved. I was playing around with it a lot as espresso. It tasted great as a shot but it just rocked as a cappuccino.

Willie: And family members, like co-owner Saul Zabar

Saul: How are you doing, people of the internet?

Willie: You'll also hear previously unreleased stories about the history of our business. Here's one from official family historian Lori Zabar

Lori: Saul actually put the store up for sale in about 1960 but nobody wanted to buy it.

Willie: So join me as I learn about how this place came to be, and what it's got going on these days. Available on Zabars.com and wherever you get your podcasts.
